PAIRS AND SPARES

July 2015

Volume 44, Issue 3

Ladies,

Summer time is a time for our family to relax and enjoy some much needed down time. I am still waiting for that down time to begin! We have spent a ton of time at the tennis courts with the twins playing summer tournaments, and we started painting the inside of our house yesterday. We painted the dining room, game room and entry and I am already exhausted! When do we get to slow down? I'm sure as soon as we finish working.

We are still looking for a new meeting location. Since we will not meet at the church in July, we are hopeful we will have a new space by the August meeting. If you know of a boardroom or meeting space that allows non-profit agencies to use their facilities, please let me know ASAP.

I am ready to start enjoying summer lunch bunch events and am looking forward to spending an evening with our members and their husbands at our summer cook-out. Details for our first zoo trip for the year and the cook-out are in the newsletter. I hope you can all join us and that your summer has been more relaxing than ours.

Terri

Christi & Shelli

Members bring a small gift the month of their birthday and the month of their twins' birthday. The money is used to provide small gifts for children in the hospital. If you have a child in the hospital, let us know.

THANK YOU!!

Thank you for the beautiful glass jar. I have found a great place in my kitchen for it, but haven't decided on what to put in it yet. It was an honor to serve as the president and convention chairman for the last two years.
